capture larger audience*

June 14, 2011–Reed City, Mich: Spectrum Health Reed City Hospital Rehab and Nursing Center will be holding their 9th annual ice cream social on Saturday, August 13<sup>th</sup>, 2011. Capitalizing on the large crowds that attend the city wide events of the Great American Crossroads Celebration, activities coordinators have moved the annual ice cream social to the 2<sup>nd</sup> weekend in August. Normally held on a Sunday afternoon, event organizers are moving the event to Saturday, August 13<sup>th</sup> in the hopes that GACC attendees will stop by for a cool ice cream treat and listen to the Jack Pine Pickers who specialize in old time country and gospel music. This annual event raises much needed funds for the Elders of the long term care facility.

The ice cream social will take place August 13 from 2:00pm-4:00pm under the big tent in front of the Rehab and Nursing Center on hospital grounds. The Elders and staff of the rehab and nursing center will be selling both sundaes and waffle cones and will be holding a 50/50 raffle.
